The establishment

The Grasse Institute of Perfumery is located five minutes from the historical town center.

We welcome you to our establishment situated in a Provençal style house, built in the early 20th Century. You will find an ambience which is both warm and professional.

You will have at your disposal a large classroom including an application laboratory (perfumer's organ) and a collection of more than 500 raw materials.

Our lecturers are all confirmed perfumers from the prestigious companies such as Charabot, Firmenich, IFF, Mane, Robert..

Speaker

Miss Carole ANDRE, Perfumer.

Carole André has a degree in organic chemistry and also the option ISIPCA perfumery. Teacher in perfumes and cosmetics, she created her company in November 2004 for training and services. Since that, she divides her time between the various schools and universities where she teaches both the formulation and olfaction and creativity and sensory analysis, and professional customers who want to develop new ranges or in need of supervision regulatory.

Who we are

Created in 2002 by Prodarom, the French Trade Union of Fragrance Manufacturers, the aim of our establishment is to train student perfumers.

Equally it opens up the opportunity to those passionate about the world of fragrances to discover the professional techniques of the industry.

Organisation

The sessions proceed either in May or in October. Each session lasts 1 week, from Monday to Friday from 9 am to 5 pm, lunch included.

A map and a list of hotels and furnished accommodation will be send to you with the confirmation of your enrollment.
