The establishment

Grasse Institute of Perfumery is located just five minutes from the historical town center.

We welcome you to our establishment situated in a Provençal style house, built in the early 20th Century. You will find an ambience which is both warm and professional.

You will have at your disposal a large classroom including an application laboratory (perfumer's organ) and a collection of more than 500 raw materials.

Our lecturers are all confirmed perfumers from the prestigious companies such as Mane, Robertet, IFF, Firmenich...

Summer School

Fragrance +

In Grasse, the world's perfume capital, our international establishment offers you summer schools devoted to discovering the spellbinding world of fragrances.

First week

Families & accords

Genealogy and fragrance creation

Description and study of the different olfactory families under (green accord / powder / amber / fruity / floral ...)

Olfaction of typical accords and fragrances including these accords.

Formulation of accords: Green tea / iris / woody amber / amber vanilla / aqueous fruity.

Second week

Flowers for fragrance

Flowers in perfumery.

Emblematic flowers (rose, jasmine, orange blossom, tuberose ...) and original flower (osmanthus, tiare flower, magnolia, gardenia ...)

Olfaction of classical accords and floral fragrances.

Creation of modern accords around these flowers.

This course is designed for the people who already followed the two week session of Fragrance Summer School.

The establishment

Created in 2002 by Prodarom, the French Association of Fragrance Manufacturers, the aim of our establishment is to train student perfumers.

Equally it opens up the opportunity to those passionate about the world of fragrances to discover or to improve the professional techniques of the industry.

Organisation

The session lasts 2 weeks, from Monday to Friday from 9 am to 5 pm, lunch included.

A map and a list of hotels and furnished accommodation will be sent to you with the confirmation of your enrollment.
