# The establishment

The *Grasse Institute of Perfumery* is located five minutes from the historical town center.

We welcome you to our establishment situated in a Provençal style house, built in the early 20<sup>th</sup> Century. You will find an ambiance which is both warm and professional.

You will have at your disposal a large classroom including an application laboratory (perfumer's organ) and a collection of more than 500 raw materials.

Our lecturers are all confirmed perfumers from the prestigious companies such as Firmenich, IFF, Mane, Robertet...

## Information

# Training course

*Fragrance  
Summer School*

In Grasse, the world's perfume capital, our international establishment offers you summer schools devoted to discovering the spellbinding world of fragrances.

## First week

### *Discovery of raw materials and accords*

#### **The history of perfumery.**

#### **The chemistry of perfume :**

Some basic chemical knowledge to provide a better understanding of the structure of molecules possessing a sensory power.

The volatility and solubility of sensory molecules.

#### **The vocabulary of perfume :**

Olfactory concepts. Technical vocabulary.

#### **An apprenticeship in raw materials and olfaction:**

Natural and synthetic raw materials.

#### **An apprenticeship in creating simple accords :**

Jasmine, rose, carnation...

#### **Visit to growers:**

Jasmine, lavender, tuberose...

## Second week

### *Genealogy and fragrance creation*

#### **More synthetic and natural raw materials.**

#### **Genealogy of perfumes :**

Feminine and Masculine fragrances.

#### **Olfactive evaluation of famous perfumes.**

#### **Deeper understanding of how to create accords.**

#### **Creation and fragrance composition.**

#### **Visits to factories and laboratories.**

**These courses are designed for non-professional persons who are passionate about fragrances.**

## Who we are

Created in 2002 by Prodarom, the French Association of Fragrance Manufacturers, the aim of our establishment is to train student perfumers.

Equally it opens up the opportunity to those passionate about the world of fragrances to discover the professional techniques of the industry.

## Organisation

The sessions proceed in June, in July, in August or in September. Each session lasts 2 weeks, from Monday to Friday from 9 am to 5 pm, lunch included.

A map and a list of hotels and furnished accommodation will be sent to you with the confirmation of your enrollment.
